

# FOCUS on Leadership Effectiveness

***A customized Executive Coaching Session Providing Clarity and Direction for your Development***

---

*You're a Thoroughbred - - Are You Running Your Best Race?*

**Schedule an Enerpace Focus Session Today & Boost Your Performance to the Next Level!**

**This Confidential, Customized 3-Hour Individual Session Will:**

- Provide the structure & time for a strategic look at your leadership skills
- Identify how to leverage your Strengths to "run your best race"
- Uncover & overcome obstacles in your path
- Create & prioritize key actions to move you forward!

**Who Needs This?**

*Anyone who:*

- Doesn't take time to evaluate and improve their Leadership Effectiveness
- Recognizes the importance of proactively managing their professional development
- Requires the insight, tools, and structures to perform at the next level
- Wants to run their best race, both personally & professionally
