Dear Subscriber,

Enerpace turned 10 years old on July 5th! Therefore, this month's issue is devoted to all things ten!

As the Enerpace Team reflects back over the past decade, it is of course all our clients we think of first and most fondly. It has been an honor to be a part of hundreds of people's lives - both personally and professionally. Thank you to all who have let us share their path.

Personally, I've also reflected on all the workshops, seminars, speeches, forms, processes, tips and tools we've created! Enerpace has a rich treasure trove of intellectual property, and my team and I are working on ways to make that more accessible to more people in even more ways.

Looking forward, our mission remains the same: we help leaders access the energy to achieve their highest goals, while finding the peace that comes from living their lives on purpose! Energy & peace = success!

Personally, I can't WAIT to see what we will co-create with you over the next decade! We welcome all your ideas, suggestions and referrals! Tell us what you need to grow yourself, your team and your bottom line by simply replying to this email or calling #630-832-4399.

Thank you for being part of our journey -

Elene

p.s. Thanks to YOU, Maria made the Top 10 again! In keeping with our July theme, she was among the top 10 fundraisers for the National Alopecia Areata Foundation during our lobbying trip to Washington, DC earlier this month. Maria is in yellow below, where you can see her smiling with some of the other winners. Thank you!
